

IAESTE

# PHYSICS internship in FRANCE

GROSS PAY

**700 EUR / Month**

**Cost of living 600 EUR / Month**

DURATION

**26 weeks**

REFERENCE NUMBER

**FR-2024-006**

IAESTE

# OTHER INFORMATION

## SKILLS REQUIRED

- English Good (B1, B2) or French Good (B1, B2)
- 4 completed years of study in physics engineering
- Base knowledge in microelectronics, electro-optics, optical measurement, programming

## PERIOD

**03-MAR-2024 - 31-DEC-2024**

## WORK OFFERED

- Establish a simulation model for the electro-optical chain, based on already existing components, in collaboration with the different experts (CMOS, OLED, Color filter, Test)
- Validate the model using existing data from microdisplay production
- Use the model to support ongoing development of new OLED stacks
