

MASTER DEGREE IN

Nanostructured Materials  
for Nanotechnology Applications

University of Zaragoza

# NANOMAT

## Welcome Session

- Welcome and presentation by Dr. María Pilar Pina (Master's coordinator): 15:00 h-16:00 h
- Inaugural Lecture by Dr. Thomas van Zanten (COMFUTURO Fellow-INMA): 16:00-17:00 h

*The cellular plasma membrane as an active nanoscale functional material*

Date: September 5<sup>th</sup> 2024

Location: Room 04 Building A (Physics).

Sciences Faculty. Campus San Francisco Campus.
