

# POS-DOC FELLOWSHIP

From CAPES - Brazilian Funding Agency

**Nano Optics Laboratory**

**Physics Department / UFPE**

**\* Recife-PE, Brazil \***

*Physics in UFPE is recognized as top quality in Brazil*

**Project: “Nonlinear and quantum optics of single nanoemitters and coupling to optical microcavities with ultra-high quality factors”**

**Monthly: R\$ 3,300.00 fellowship + R\$ 1,000.00 bench fee**  
(life costs lower than in Europe!; fellowship ~35% upgrade after 3<sup>rd</sup> month)

**Profile: Doctorate in optics or similar (experimental is a plus)**

**Contact: Prof. Leonardo Menezes ([lmenezes@df.ufpe.br](mailto:lmenezes@df.ufpe.br))**

**<http://blogs.df.ufpe.br/~lmenezes>**

(Selected candidate should receive air tickets to Recife; Contact at latest by November 23<sup>rd</sup>)
