

Post-doc position in Orsay

In the framework of the ERC advanced grant Higgs@LHC, the particle physics group of the Laboratoire de Physique Theorique (LPT) of Orsay at Universite Paris-Sud invites applications for postdoctoral positions in theoretical physics to work on Higgs phenomenology in the Standard Model and its extensions.

The positions are expected to be filled in the Fall of 2013. Applicants must hold a Ph.D. in theoretical physics at the time of appointment (October 2013 or earlier). The positions are for a period of two years and there is a possibility that the postdoc could work with the phenomenology groups of two other Parisian laboratories, LPTHE Jussieu and IPHT Saclay.

Applicants should submit the following items:

- Cover Letter
- Curriculum Vitae

- Research Statement

- Publication List
- Three Reference Letters (to be submitted by the reference writer)

Applications will be reviewed starting Dec. 5th 2012, recommendation letters must have reached by then. Submissions will remain open until the position is filled. The application should be sent directly to Mireille Calvet:
