

Postdoctoral position in High Energy Physics at University of Buenos Aires

The Group of Theoretical High Energy Physics of the University at Buenos Aires invites applications for postdoctoral positions in theoretical and phenomenological high energy physics. The two-years appointments would start on April 1st 2014. Applicants should send curriculum vitae that includes a complete list of publications and a brief research project. Also, the applicant should arrange three letters of recommendation to be sent by e-mail to Daniel E. Lopez-Fogliani (daniel.lopez@df.uba.ar) and Gaston Giribet (gaston@df.uba.ar). Applications should be received no later than June 25th, 2013.

The application procedure consists of two steps: The first step is the one detailed above, intended to be a pre-selection. The second step is the formal application for a fellowship of the National Research Council for Sciences (CONICET) whose committee would come to a final decision at the end of December 2013. If granted, the fellowship would start on April 1st 2014.
