

Setesdal Museum, South Norway

Geologist

There is a full time vacancy for a geologist at the Setesdal Museum, based at the Military Museum at Evje. This is a new post in an area world famous for its many rare and special minerals.

Requirements

- An open and creative person with a good ability to communicate
- Minimum Bachelor's degree in Geology, preferably with specialisation in mineralogy and petrology
- Experience of teaching and / or museum work
- Good computer skills
- Norwegian language or the willingness to learn

We offer:

- Challenging tasks in the field, working together with the rest of the staff to enlarge our knowledge of the local geology and to bring it to visitors and students
- Starting salaries from NOK 350-450.000 according to qualifications and experience.
- A good pension

The successful candidate must have a full driving licence and the use of a car.

Further details can be obtained from the general manager on 00 47 . 917 21 361

An application along with a CV can be sent to Setesdalsmuseet, postboks 24, 4748 Rysstad or by e-mail to post@setesdalsmuseet.no by the 3/11/2014. Diplomas and certificates must be submitted on request.
