

IRB Barcelona International Postdoctoral Programme

We are pleased to inform you that the new “IRB Barcelona International Postdoctoral Programme” call is now open.

Eight two-year **competitive postdoctoral fellowships** will be offered in this international call supported by EU Marie Curie Actions.
The deadline for applications is **15 June 2015**.

IRB Barcelona is an independent, non-profit research institution engaged in basic and applied biomedical sciences. The Institute aims to promote multidisciplinary research of excellence at the interface between biology, chemistry and medicine. IRB Barcelona is located in the Barcelona Science Park, a centre in which first-class public research converges with the private sector in a stimulating, vanguard scientific environment.
